San Diego Workforce Innovation High School

2026 – 27 Quarter 2 English Learner Advisory Committee Meeting Minutes

November 3, 2026 @ 1 PM – 2 N. Euclid Ave, National City, CA 91950

Attendees		
Parents: 4	Students: 6	Staff: 12

I. Welcome and Introductions
   a. Start time: 1:30 PM

II. What is ELAC?
   a. It is a school committee composed of parents, students, staff and community members that advise the school about services for EL students

III. English Learner Program
   a. Academic supports for English Learners include ELD curriculum, bilingual tutors and paraprofessionals, and educational software

IV. LCAP - Local Control and Accountability Plan
   a. It is a plan that is used to set goals in order to improve student outcomes.
   b. Our LCAP goals are to increase academic progress, increase student attendance, college and career readiness, and parent engagement.
   c. Part of the action plan is to improve ELPAC performance and reclassification by providing a variety of academic supports for students

V. LREBG – Learning Recovery Emergency Block Grant
   a. State funding is provided to help schools address the effects of the Covid-19 pandemic.
   b. Some of the key goals include to accelerate learning through tutoring and small-group instruction

c. We want to close the gap with special populations such as foster students
d. Ideas for Possible Funds include tutoring and intervention programs, summer and after school enrichment, hiring more teachers and aids

VI. CSI - Comprehensive Support and Improvement
a. The school provides support for English Learners and teachers monitor progress

VII. Adjournment: 1:55 PM
