

Innovation High School

English Language Advisory Committee (ELAC) Quarter 3 Meeting Minutes

Physical Location: Moreno Valley
Virtual Location: N/A

Date: February 15, 2024
Time: 5:30PM

I. Welcome

a. Introductions

- Participants signed in. Welcomed by Lead Teacher- Tanja Politiski

b. Public Comments

- Appreciation was expressed for the food and event

II. Review of Goals

a. CSI and Graduation Goals

- Increase number of unique students being tutored by 50% by LP 11
- Utilize Power BI to track the number of unique students being tutored between LP2 and LP11
- Identify and implement targeted strategies to attract and engage more students for tutoring sessions, such as advertising through multiple channels, offering incentives, or expanding tutoring availability
- Improving the number of students receiving tutoring services. This aligns with the overall objective of enhancing academic support and success within our schools
- Achieve the 50% increase in the number of unique students being tutored by the end of Learning Period 11

III. Title I Updates

Title 1 Informational video played to explain what Title 1 funds are and how we currently utilize them.

- Title 1 Goals
- Federal funding is directed toward hiring a paraprofessional who will implement research-based educational strategies. It's expected students will improve their performance on academic metrics.
- Data: Average NWEA scores (22-23 SY) = students at 7th-8th grade reading levels.
- 20.6% growth was observed at year end test.

IV. Questions - None

V. Reminder to complete Parent and Student Surveys to have a voice in school decisions

VI. Thanks/Meeting Adjourned 6pm
