

ELAC Meeting Minutes

2/20/2024

Agenda

- Welcome
- ELPAC Testing
- Improving graduations rates through tutoring
- Reporting Title 1 goals: Schoolyear 2022-2023
- Parent/Student Survey

Welcome

Ms. Balsano reviewed agenda for ELAC.

ELPAC Testing

Ms. Balsano reviewed the purpose of ELPAC testing - every year students have an opportunity to reclassify through testing. Reviewed meaning of different levels. Goal is to test all students in the month of February.

Improving graduations rates through tutoring

Ms. Youngflesh reviewed school plans to increase graduation rates. Goal is that 85% of our seniors graduated in the year that they are seniors. To improve graduation rates through tutoring support. Hired an additional tutor, making sure all students are introduced to tutors and all students have contact information. Tutoring is also available online after hours so students are not sitting at home and stuck on their homework.

Reporting Title 1 goals: Schoolyear 2022-2023

Ms. Youngflesh reviewed Title 1 Goals

- Literacy intervention program. Improving reading aligns with Title 1 goals. 20.66% reading growth on NWEA.
- Parent engagement is important to us and is monitored by the state as well as our organization. Asking parents to complete the parent survey. Reviewed results from last year. Teachers facilitated discussions with table groups for additional ideas on parent and student engagement.

Parent/Student Survey

Ms. Youngflesh gave parents and students the opportunity to complete the survey.
