**DISTANCE LEARNING**

- During this pandemic we have successfully transitioned our students to a remote learning classroom.
- Students have had the support and encouragement needed to be successful during this time.
- Our staff has worked around the clock to ensure that every student has had emotional and education support. This has given our students the drive to succeed and we have seen a growth in student credit completion.

**PAST MONTHS ACCOMPLISHMENTS**

- In the month of May, we successfully transitioned all our students to our online platform.
- Our students have gone completely virtual, they have turned in work, signed their DLLs, have taken college tours, and have had online meetings with teachers and tutors.

**GRADUATION**

- Graduation this year will look a little different, however we will still be celebrating our seniors with a drive thru graduation that will be remembered for years to come.
- Graduation this year will be held on July 10th.
- All graduation questions can be sent to your school counselor.

**RESULTS NEEDED FOR RECLASSIFICATION**

- In order for our students to reclassify, they need to meet certain criteria. Our students are capable of reclassification if they meet the following requirements:
  - Score a 4 on the ELPAC
  - Score a 207 + on the NWEA
  - Complete 5 credits of English and score a C+ or better

**20-21 SCHOOL YEAR**
