English Learner Advisory Council

Meeting Agenda

April 23, 2024 - 6:00 pm

1. **Welcome & Sign-In** – Brink welcomed guests and explained the agenda
2. **Progress on LCAP** – Brink explained each goal and the metrics used to measure progress.
 - a. Goal # 1: Increase Academic Performance
 - b. Goal # 2: College & Career Readiness
 - c. Goal # 3: Increase Student Retention Rate
 - d. Goal # 4: Increase Parent Engagement
3. **Student Survey Review**
 - a. Student Survey Data - Brink explained a sample of survey results: Most students feel safe at school, and most students feel like they belong at school. Most students are checking in with their teachers more than once a week, and most students feel at least somewhat connected to the adults at school. 97% of students say they have an adult they can go to at school for help if needed. All students are at least slightly likely to recommend our school to others.
 - b. Parent Survey Data - Brink explained a sample of survey results: 100% of parents say they feel school is safe, 50% of parents feel extremely connected to the school. More than $\frac{2}{3}$ of parents say the school always engages them regarding attendance and academic progress. Some parents want more information regarding their student's academic progress and school activities. About 90% of parents are at least somewhat likely to recommend our school to others. About 25% of parents wish they had more input on school activities.
4. **Feedback**
 - a. Observations on Data
 - b. Questions on goals - Teachers facilitated feedback conversations on school goals
