Quarter 2 Meeting Agenda Minutes

I. Welcome and Introduction

- a. Start Time: 6:01PM
- b. Total attendants of Parents/Students:61
- c. Total attendants of Staff:14
- d. Brief Introductions:

Thank you everyone for attending today! But before we start we would like to do a round of applause for a graduated student! Please congratulate her and she will be receiving her high school diploma and she will give a small speech. What motivated you to continue high school with us? What motivated me was that I welcomed my baby and you all were like my second parents and especially when I needed supplies for my baby. Versus in other schools I didn't have those support. What kind of recommendation would you give to your fellow peers? I would like to let my peers know that even if you came from another state, don't be afraid to succeed and don't give up because of that. What are your plans for the future for you? I would like to study English and attend a college like Mira Costa College to receive her rna degree. Thank you for your speech! Today we will go over school fundings, school updates, and student awards.

II. Important School Updates

- a. Announcements:

- We would like to announce a new grant that will be added to our LCAP funding. It's called "learning recovery emergency block grant", does anyone know the meaning of this grant? This grant is to help our students who lost learning during or after COVID-19 - \$44,518. On your brochure we have listed some ideas to use that funding for our students, such as: (Please let us know which ideas you'd prefer or if you have any ideas, jot them down.

- 1. Tutoring and academic intervention programs
 - 2. Summer and after - school enrichment
 - 3. Additional teachers or instructional aides
 - 4. Mental health and emotional support

- b. Feedback:

- Please take a moment on completing the brochures with some questions to answer or you can scan the qr codes with your phones and you may answer them on your

phones. All questions are bulleted in black. You will also find resources for food pantry goods and you can locate locations in Vista and Escondido. If you completed the brochures, I will go around for those who have completed their forms and you'll receive a swag bag!

- Responses:

1. Credits & Academic Progress: (What helps your student to stay on track or motivated?) or (What kind of extra support does your student need for example; tutoring, reminders, incentives, etc?)
2. Attendance & Appointments: (What helps your student to keep their appointment?) or (What could make attendance easier?)
3. College & Career Readiness: (What college or career activities interest or would you like them to explore?)
4. Family Engagement: (What kind of events would you attend?) or (How would you prefer to receive updates; texts, calls or emails?)

III. Local Control and Accountability Plan (LCAP)

a. Mid Year- LCAP Report:

- This new school of 2025-2026 saw an increase in our students meeting and scheduling appointments with our tutors as of 177% compared to last school year 24-25 between July through September. Let's give a round of applause for our tutor Mr. Cruz!
- For those students that are tutored are completing at a higher rate of credits completed. Versus those who aren't.

b. Review Focus Goals:

- Increase academic progress
- Increase student attendance
- Be college and career ready
- Maintain parent engagement

IV. Comprehensive Support and Improvement Plan (CSI):

a. Overview:

- Federal law requires educational agencies to identify schools eligible CSI

b. Targeted supports/college and career:

1. We continue to support our students with their goals to attend college/career and our counselors are working with students all year long.

2. Qualifying schools must develop a plan to improve student engagement.
3. 4th-5th year graduation rate qualifies our schools.
4. Last year- targeted tutoring for our 4th and 5th years.
5. This year- increase monthly grad progress meetings

V. Student Opportunities:

- Miss. Trone runs our dual enrollment program here at Innovation High School. These programs are perfect for students that are interested in earning college credits at Palomar College while earning their high school diploma. Students that want to stay in this program must keep up with their high school GPA. This is a wonderful program for students to get that college feel and a head of the game.
- Heavy Breathing: Is a gym that we have recently partnered with and we encourage our students to attend some sessions on Wednesdays during school hours. Lunch is provided & transportation, keep in mind we only have a few spots available on the van.
