(Highlighted Feedback is from SWD)

Talked with SDWIHS school more than previous schools in the first 6 mth. Student is completing more work than at previous schools, loves the curriculum

Text message communication great, if parent has question feels like communication is great when needed

Communication is great

Great communication from teacher, and knew what to do to graduate

Very well

School information is being sent in spanish for parents

Ms. G had great communication, especially with sensitive situations

Great with communication with teacher

More frequent communication would be best

Weekly communication with parents is good, and likes events

Teacher is great with communication, ex calling for class times

Constant communication, kept in the loop on progress

Very good

No complaints

Love the open communication with school

Likes the communication, would like additional calls for encouragement

Likes the weekly messages, field trips, and events

Good communication with teacher, reminders for appointments

VI. NWEA Testing

- a. Dates given for school wide testing along with an explanation of the tests and their functions. Staff explained that each student's goal should be personal growth.

- b. Students were given information on deadline to complete credits in English and/or Math to exempt from testing

- b. Information for Seniors hoping to participate in the December graduation ceremony was shared with students with 35 or fewer remaining credits.
- c. Feedback: Q - What additional resources or supports would you like the school to provide to better support your child and family?

More field trips
No supports needed; school is great
No supports needed; school is great
Provide a lot of resources and we as a family have to take advantage
Requesting information about Hop Skip Drive
Adding parent square account to existing account for siblings in another district
More Career Fair type Field Trips/ community colleges/
Loved the Bike Field trip allowed kids to build and take something home, doing great! More Career Fairs
School staff helped keep me on pace by texting, calling, and supporting me through credits
I use Project HOPE, staff are helpful babysitting while I am on campus working on credits. Staff very helpful and provides baby resources and supports me while I bring my baby in
Variety of Field Trips, would like to see more marine Sci/zoology type field trips. Want more volunteer events like beach clean up days and to have more in person SGI Core Classes.
Counselor helps practice job interviewing with me. Would like to see more college tours
Want more Career and college Field trips
