

San Diego Workforce Innovation High School

2026 – 27 Quarter 1 PAC Meeting

August 27, 2026 @ 6:00 PM – 933 E. Vista Way. Vista, CA 92083

- I. Welcome and Introductions
 - a. Start time - 6:15PM
 - b. Total attendants:
 - i. Parents/students: 49
 - ii. Staff: 14
- II. Important School Updates - *New Teacher - Mrs. White. Families and the audience were very supportive of welcoming her! Gave away Learn4Life merchandise as raffle rewards. LP Credit Plans were presented as our new standard for school to home messaging and Work-oriented goals throughout the Learning Period.*
- III. Local Control and Accountability Plan (LCAP) -
 - a. Review 2026 – 2027 School Year Goals - *Updates, all students now have (Learning-period) time-oriented, credit plans. Targeted Instruction and Tutoring are consistent with more credits being submitted and better scores/grades overall. Back to school Forms (Enrollment).*
 - b. Feedback - Parents inquired about online school. Very receptive. Also, some parents inquired about Senior Disney day regarding chaperones, ticket prices, and which graduating students would be participating.
- IV. Comprehensive Support and Improvement Plan (CSI) - *Maintain 90–92 attendance rate. Maintain 90%+ graduation rate for the one-year cohort. Increase 4/5-year cohort graduation rate by 5%-**Last year we increased 8%! Credits and completion rate are based on cohort year. School Reviews/QR Codes help build our program and orient to reflect our communities and their needs.***

- V. Differentiated Assistance (DA) - Students are put on one of several pathways: JAG, Concurrent Enrollment, or CTE. Early Testing Opportunity for Students with IEP's, EL, etc. A new JAG specialist builds programs and academic/career plans based on student interests. NWEA scores indicate student ability. Our own version of online school is now available.
- VI. Student Opportunities - *CTE, new career pathways. "Heavy Breathing program" Gym Workouts. Staff presented, provided information on how the gym program works and the benefits to students or health and fitness. Monthly Guest Speakers 1st or 2nd week of Learning Period. BLAM leadership program was offered as a socially encouraging. Dual enrollment has a point of contact that Supervising Teachers can connect students with to discuss student-specific college courses.*
- VII. Counselor Updates - CTE Workshops- 2 weeks before each Application filing period; Oct. 12th to Nov. 15th - College and Career Class- Elective Credits. CTE paraeducator will be available to speak with students specifically about what internships or career choices appeal to them. The Senior Field trip was changed from grad night to Disney day, allowing students to participate in a much more personalized experience.
- VIII. Student Awards -
